

# Municipal Plow

**844.BLU.PLOW**

(844.258.7569)

[www.danielsplows.com](http://www.danielsplows.com)

## Incredibly Durable

- The Daniels Municipal Plow can best be described in two words - incredibly durable
- By using one plow to both push and stack snow, the need for multiple pieces of equipment at the job site is eliminated

## Standard Features

- Double-acting cylinders with max stroke at 35 degrees
- Cushioning Relief Valve
- Reversible Steel Wear Edges
- Fully Welded Construction
